**Project Name: Brockville Courthouse (Retrofit, Heritage Site)**

Location: Brockville, Ontario

Owner: Ontario Realty Corporation

**Facility:** The centre features all amenities of a modern court complex with five courtrooms including the restoration of two heritage courtrooms. Other features include two settlement rooms, a child-friendly remote testimony room, an enclosed sally port and holding area for secure in-custody transfers, and holding cells for 20 prisoners. The building includes state-of-the-art telecommunications and security systems; improved acoustics, with a voice amplification system and an infrared audio assist for those who are hard of hearing, and digitally controlled climate. The building allows for three levels of circulation dividing the public, prisoners and the judiciary. There are privacy screens in family court.

**DelcoSecurity Scope:** annual servicing of all security systems including access control, CCTV, and intercom.
