
Project Name: Pembroke Courthouse (Retrofit, Heritage Site)

Location: Pembroke, Ontario

Owner: Ontario Realty Corporation

Security Consultant: Lobo Consulting Services

Facility: The Pembroke Courts Consolidation Project will consolidate five existing courtrooms, from four different locations, into the existing courthouse. The phased renovations and expansion will provide five new courtrooms and one motion room, together with related court functions. In addition, new elevators, lighting, security, mechanical, communications, life safety and audio visual systems will be provided. Scheduling of the work to avoid disruption to ongoing operations is critical.
